3280 Lake Grove Road - THE CABIN

This classic log cabin, believed to be the oldest structure on Walloon, has v=been completely restored inside and out. The dimensions are cozy but the impact is big - think stone fireplace, window boxes, flagstone patio with flower garden, grill, wonderful sunset views, and private dock.

The original cabin includes a living room/dining room area, small but fully stocked kitchen, bathroom with shower (no tub), and stack washer and dryer. The newly added bedroom is proportional and includes a queen size bed with charming linens and Maine Cottage armoires.

While the size of the cabin lends itself to an adult getaway - perhaps a honeymoon or anniversary - the cabin can also accommodate two children who are old enough to climb a ladder to the twin-bedded loft. They'll have fun searching the old beams to find out where Mr. Vandermark - who probably built the cabin - hung his rifle and wood-burned his name.

No smokers, please, but a well-behaved dog is welcome.

Available for a three night minimum at \$150.00 per night or \$750.00 per week.

Pictures are available. For more information, please call 765/860-5240 pr email us at wstone003@verizon.net.
